

# You want to build value that lasts?

We are looking for an inspiring colleague, a good team player with extraordinary analytical skills, a passion for complex problems and a strong will to achieve.

## Investment Manager (m/f) (full-time engagement)

### What you will be doing

- Source new investment opportunities for CUDOS
- Leading role in due diligence analysis of target opportunities
- Support in transaction management (preparation of legal documents, negotiation)
- Regular support for portfolio companies and active discourse with portfolio company's management
- Preparation of communication to investment committee and supervisory board
- Support CUDOS fundraising activities by compiling and delivering LP communication

### What you should have done already

- Master's Degree in Business Administration or equivalent with fluent conversational proficiency in German and English
- Expertise in Corporate Finance, Accounting and Controlling
- Minimum of 5 years professional experience in one or more of the following industries:
  - Private equity or venture capital
  - Investment banking (leading M&A or leverage finance department), or
  - Management consulting (major international strategic consulting firm), or
  - Business advisory (transaction service and/or audit unit of major tax and business advisory)

### Who we are

CUDOS is an entrepreneurial private equity fund based in Vienna and aimed at direct investments in small- and medium-sized companies in Austria, Southern-Germany, Switzerland and selected central eastern European countries. We target hidden champions, strongly focus on operational value creation and want to build value that lasts.

### Contact

Please send your application including a letter of motivation, your CV, university diploma and relevant certificates of prior engagements to [office@cudos-group.com](mailto:office@cudos-group.com)

Based on your individual experience and expertise, CUDOS will offer a competitive compensation package for this position. However, due to legal requirements, we point out that the minimum salary for this position is EUR 50,000 gross/year.
